*110 West Main St., Suite A, Payson, AZ 85541*

*PHONE: (928) 474-1210 | FAX: (928) 474-7069*

---

## What to Expect During an Inspection

### Our inspectors are trained to:

- Introduce themselves to the facility manager, owner, or representative upon entering for inspection.
- Present their County-issued photo identification card.
- Document on official forms the facility's compliance and discuss any findings and corrective actions.
- If immediate action is required, the inspector will document the exact action be taken while on site using official Gila County Health & Emergency Management forms. When the corrective action has been completed, that will be noted as well.
- A majority of inspections are conducted without advance notice; however, occasionally a follow-up inspection may need to be prearranged.
- As public health partners, we welcome any questions from our stakeholders should you have concerns or questions about any part of the inspection process, including verification that the inspector is an official representative of Gila County Health & Emergency Management. Please call (928) 402-8811 for the Globe office or (928) 474-1210 for the Payson office to discuss any questions or concerns.
